eLearning di IPB

Pengembang eLearning IPB

- Pasca Sarjana + Kantor Pengkajian dan Pengembangan Pendidikan ⇒ Tim Distance Learning : WebCT.
- Program Cakupan Perguruan Tinggi (PCPT) DUE-like Batch III ⇒ Self Access Center (SAC): CLAROLINE.
- Kantor Pengembangan Sistem Informasi ⇒ IPB Goes to  : CLAROLINE (dalam PCPT).

Mengapa WebCT ?

- Teruji kehandalannya.
- Telah digunakan oleh beberapa institusi, a.l: Universitas Terbuka, UPM, dll.
- Sangat lengkap dan memadai untuk suatu Distance Learning.
- Harga mahal dan berlisensi.

Mengapa CLAROLINE ?

- Gratis untuk kepentingan bersama.
- Saling bekerjasama untuk memperbaiki dan mengembangkan.
- Program lengkap tersedia di Internet (download) di <http://www.claroline.net>.
- Fasilitas cukup memadai dan sederhana untuk di-install.
- Hanya membutuhkan sebuah server LINUX.

CLAROLINE Statement

- CLAROLINE is a free GPL (General Public License) software based on PHP/MySQL.
- It is a course based educational tool allowing the professor to create, admin and feed his courses through the web.
- The software features: Quiz Generator, Forums, Chatting, Calendar, Shared Documents, Links, Logging and tracking, User management, Announcements, and more
